VISION PLAN

2026

Dear Centerpoint Family,

We are deeply grateful for what God is doing in and through Centerpoint Church. As we step into this Cultivate season, Ann & I want you to know this first and foremost: our church is healthy, growing, and full of faith. We are seeing lives changed, families strengthened, people saved & discipled, and our valley reached with the love of Jesus. This is a good season, and it's also a pivotal one.

For more than two decades, Centerpoint has grown because God's people chose to grow with Him. In every season, we've seen the same pattern: God gives vision, His people respond with faith and generosity, and together we step into more than we could have asked or imagined. That is the story of how we've built spaces for children and students, expanded our worship environments, and created room for thousands to encounter Christ. That is what it's all about, *loving and leading people to a life-changing connection with Christ.*

Today, God is placing a fresh opportunity before us. We believe He is inviting us to multiply His work in our valley: to Multiply in Menifee, launch Centerpoint en Español, upgrade how we disciple people at every stage of faith, strengthen families, and to bring powerful CP Flow Nights to areas across our region so the presence of God can move freely & powerfully within, through, and beyond Centerpoint.

This moment will require all of us to cultivate this Kingdom work together,

to grow together, flow together, and sow together.

It will require prayerful conviction, courageous generosity, and a shared commitment to see God's Kingdom advance. Not out of pressure, but out of belief. This is a time for us to boldly step forward in faith for what God still wants to do through Centerpoint Church!

This is a time for response, commitment and generosity, not out of obligation, but out of gratitude for what God has already done, and hope in our hearts for what's ahead.

As you read through these pages, my prayer is that you would sense both God's goodness behind us and His invitation before us. I pray that Holy Spirit will cultivate clarity and conviction in your heart, and that we would step forward together, trusting God to bring a harvest far greater than anything we could produce on our own.

With gratitude and expectation,
Pastors John & Ann

Here's one of those God Stories

Kristopher was living a lifestyle that his friends praised, but made him feel ashamed. It was a life of instant gratification, addiction, and meaningless relationships, but with it came a deep emptiness he couldn't fill, no matter what he threw at it. His search for answers led him to Centerpoint, where he made a life-changing connection with Christ. He surrendered his life to Christ and raised his hand to receive Jesus. He got baptized. He attended Grow Track, where he learned of the different ways he could use his gifts to serve, and he got plugged into a ministry team. He prioritized relationships with Men's ministry and is now co-leading a Men's small group! And the emptiness he used to feel? It's been replaced with fullness and joy in Christ!

The Freedom prayer team facilitated 267 Prophetic Appointments and 466 Freedom Prayer appointments! That's a lot of hope, healing, and deliverance for many!

Our Care team has assisted 54 individuals and families in need in our own church body with financial support from our Good Samaritan fund.

At VBS, 113 kids raised their hands for salvation. In 2025, more than 300 kids took home new bibles through CP Kids.

Bring a Rowdy Friend Night saw 700 high schoolers on campus, and more than 200 came forward to accept Jesus!

419 Connection Cards have been filled out, and 309 people attended Discover Centerpoint Lunch.

Multiply in Menifee

14.2%

From 2020 to 2024, Menifee experienced an explosive 14.2% growth, and the trend continued through 2025. It's estimated that from 2023 to 2033, more than 93,000 people will move into Menifee and the surrounding areas.

35,000+

Menifee's growth rate has pushed the population higher than Murrieta's. There are currently more than 35,000 homes in Menifee, and with the forecasted growth through 2033, housing will continue to expand at a rapid rate.

4,700 to 1

Because of this explosive growth, there are currently more than 4,700 residents per individual church in Menifee! The ratio is 46% higher than Murrieta, and 379% higher than the city of Riverside!

22%

With the astounding population growth, there is also an opportunity for spiritual growth. Only 22% of Menifee residents identify as Evangelical Protestant Christians, and nearly 40% don't identify as Christian at all.

When God is moving, it leads to momentum. God's Kingdom is compared to seed, and seed is meant to be sown so that a multiplied harvest can be cultivated! Imagine Centerpoint planting a life-giving church in Menifee: a place where the presence of God flows freely and powerfully into a growing city hungry for hope. Imagine people encountering Jesus for the very first time in that church, finding forgiveness, healing, and new life. Imagine marriages restored, families strengthened, and children growing up rooted in the love and truth of God.

Imagine a church where worship is alive, the Spirit is moving, and everyday people are being discipled and sent to live on mission right where they are in Menifee. We believe a city awaits! God is inviting us to multiply His work in Menifee by planting a spiritual home where life-changing connections with Christ transform lives, and the Kingdom of God takes root for generations to come!

Start Centerpoint en Español

In Riverside County, the Latino community now makes up over half the population, around 53%, reflecting long-term growth and vitality in the region, and points towards continued growth.

Recent research shows that most second-generation Latinos in the U.S. continue to speak Spanish, with about seven out of ten U.S.-born Latinos retaining Spanish language use into adulthood.

"The greatest missionary is the Bible in the mother tongue."

— WYCLIFFE FOUNDER C. T. TOWNSEND

There are thousands of people in our valley whose hearts were formed, whose faith was shaped, and whose prayers rise most naturally in Spanish, and when the Gospel meets people in their heart language, it reaches places nothing else can. In our region, Spanish is spoken in homes, passed down through families, and carried by second-generation believers who live between cultures. We sense God inviting us to cultivate a ministry that honors identity, awakens faith, and unleashes leaders to live out the Kingdom in their heart language!

Launch CP Homefront

Strong families are foundational to a healthy church and a thriving community. ***Imagine a church of growing families in community together,*** a hub for support, encouragement, networking, mentoring, and spiritual formation focused on families. Workshops, conferences, and foundational classes for parents, foster and adopt support, training, and more. We dream about marriages growing stronger, parenting with confidence, and children flourishing in faith. By investing in families at each stage of life, we believe God can bring healing, restoration, and hope that extends far beyond our church walls and into homes across our valley.

Unleash a Discipleship Upgrade

We believe God is calling us to go deeper in how we form disciples, moving beyond information to true transformation. ***Imagine a centerpoint discipleship upgrade*** that will create clearer pathways for people to grow in their faith and share it with others. It will help believers engage more fully with the Word of God and experience the presence of God. This upgrade will empower greater personal life-on-life sharpening and activation of the spiritual gifts He's placed inside each believer. It's about cultivating spiritual maturity through Scripture, community, and the flow of the Spirit. This discipleship upgrade will help people become Scripturally rooted, Spirit-filled, Spirit-led followers of Jesus who are equipped to live out their own faith with greater strength!

CP Flow Nights Across Our Valley

Extend the flow. The Spirit of God is flowing in and through Centerpoint Church in a dynamic and uniquely powerful way. What if we brought that to other places with a pop-up experience? Imagine CP Flow Nights that make these experiences outside of our Murrieta campus are about making space for the Holy Spirit to move beyond our weekend services and into our region in a fresh, powerful way. These gatherings will create moments for Gospel outreach, worship, prayer, and spiritual breakthrough where people can step into the flow of the Spirit and encounter God. As we take CP Flow Nights into different communities across the valley, we believe God will bring renewal, joy, and Kingdom impact to many who are hungry for His presence and many more who need His salvation.
